Outreach Mission Statement

*(Statement developed by
the Outreach Committee)*

The St. Paul's Church community believes in "Faith in Action." We support many varied ministries of our parish, especially those that fight injustice, and we celebrate and inspire our fellow parishioners as they live out their faith in the broader community.

What is the Outreach Committee?

The Outreach Committee has two main goals:

- Be a resource for parishioners to help connect them to the myriad outreach ministries and local opportunities that fit St. Paul's mission.
- Be good financial stewards of the discretionary outreach funds allocated from the Parish's annual budget. On average, this is approximately \$75,000 of annual giving to support both local and global initiatives.
